PLANNING COMMISSION / PLANNING DIRECTOR (BURDEN OF PROOF)

Pursuant to provisions within the Hood River County Zoning and Subdivision Ordinances, applicants are required to provide written documented affirmation findings addressing the following Burden of Proof factors. It is the Commission's and Director's expressed wish that all applicants be able to present their case without aid of professional advice, therefore, with County staff assistance and through addressing the following factors it is hoped that applicants will be able to present their case with enough facts to enable the Planning Commission or Director to render a decision.

THE BURDEN OF PROOF is placed upon the applicant to prove that:

- B. The public's interest is best carried out by granting the petition for the proposed action, and that interest is best served by granting the petition at this time.
- C. The proposed action is in compliance with the Comprehensive plan.

  1. The characteristics of the various areas of the County.
  2. The suitability of the subject area for the type of development in question.
  3. Trends in land development.

4. Density of development.
5. Property values.
6. The needs of economic enterprises in the future development of the County.
7. Access.
8. Natural resources.
9. Public need for healthful, safe and aesthetic surroundings and conditions.

E. Proof of change in a neighborhood or community or mistake in the planning or zoning for the property under consideration are additional relevant factors to consider.
