Owner	SIGNATURE REQUIRED _____			A fill and grading permit is valid for 180 days. An approved inspection extends the permit 180 days from the date of that inspection. If the project is not commenced, abandoned, or if a required, approved inspection has not been performed within a 180 day period, the permit expires. To revalidate a permit expired for six months or less, half the original permit fee shall be paid. Prior to expiration, a one-time free extension may be granted. After six months since expiration, a new application shall be filed.
